

Rule 4(m) requires the Court to dismiss this action after notice to Plaintiff if he failed to serve Defendants within ninety days. However, if Plaintiff shows good cause for the failure, the

Court “must extend the time for service for an appropriate period.” Id. Here, the Magistrate Judge gave notice to Plaintiff on July 6, 2016, that the Court may dismiss the case for improper service. The Magistrate Judge’s July 19 Report and Recommendation is additional notice that the Court may dismiss the case. Plaintiff still has not provided good cause for failure to timely serve Defendants.

Accordingly, the Report and Recommendation (Doc. No. 11) is **ADOPTED**. This action is **DISMISSED WITHOUT PREJUDICE** for failure to timely serve Defendants.

This is the final order in this case.

IT IS SO ORDERED.
